Drive-In Theatre Guidelines

For general workplace guidelines, please refer to [COVID-19 Workplace Information](#). All businesses operating in Saskatchewan must be in compliance with these guidelines. The information below provides specific information for operators of workplaces offering food and accommodation services.

Drive-in theatres must meet the following conditions:

- Physical distancing should be observed at all times, with a minimum of two metres between individuals when outside of vehicles.
- Vehicles must be separated by a minimum of five metres.
- Only individuals from the same household may occupy the same vehicle.
- If customers are required to have contact with any equipment (e.g. speaker), the equipment must be cleaned and disinfected after each use. Please refer to the [Environmental Cleaning and Disinfection Guidelines](#).
- Where possible, payments should be accepted through contactless methods (e.g. tap or e-transfer).
- Access to washroom facilities must be limited.
 - Where washroom access is provided, frequent cleaning and disinfection must take place throughout the movie.
 - Physical distancing of two metres must be maintained for those waiting for washroom facilities.
- Food/concession services are limited to contactless pick-up or delivery only and must ensure physical distancing.
 - While waiting for food pick up, physical distancing must be observed.
 - Provide soap and water or an alcohol-based hand sanitizer approved by Health Canada (DIN or NPN number) for customers and staff to use.
 - All common touch items should be removed from service, such as removing bottles/pumps. Self-contained condiment packets should be distributed by staff.
- All other services and common areas must be suspended, including picnic areas and play areas.
- Employees must have access to soap and water or an alcohol-based hand sanitizer approved by Health Canada (DIN or NPN number) for hand hygiene and appropriate cleaner and disinfectants per COVID-19 [Cleaning and Disinfection of Public Facilities](#).
- Employees are required to stay home if they are sick or symptomatic.
- Patrons should be reminded that anyone who is feeling sick or symptomatic must remain at home.

These above guidelines are from June 2, 2020. Please check the Government of Saskatchewan [Drive-In Theatre Guidelines](#) for the most recent guidelines.
